Your children's bulletin unlocks online fun at home.

**Children's Worship Bulletins@HOME!**

Dear Member,

We're excited to announce a **NEW feature** of *Children's Worship Bulletins* that will have children lining up to get their bulletin this Sunday! That's because they'll be looking forward to the secret code on the front of the bulletin that unlocks hours of fun learning at home.

This secret code is unique to our church and allows SAFE and secure access to online games that reinforce the message for the week. You can continue Bible learning and discussion at home — while protecting children from the hazards of general Internet game sites.

Several games are rotated — Memory Match, Word Search, Gems of the Bible and Coloring Book — so each week kids have something new to play. The games are geared toward all age levels, so everyone can join in the fun!

STEP 1:
Your children go to Games.ChildrensBulletins.com and enter their secret code.

Happy you're here!
Enter your SECRET CODE in the box above to unlock the GAMES!

Safe and Secure.

Children's Worship Bulletins@Home takes advantage of the latest web security. No data is captured about players, and there's no need to download any game plugins to a computer that might be vulnerable to spyware. Children will never see an ad, so you can feel confident that they're having a safe playing experience.
