## CAMP WEBB COVENANT FORM

Participant Name: \_\_\_\_\_ date: \_\_\_\_\_

We would like to enter into a partnership with you, the parent, in order for your child, and all campers, to have a positive experience at Camp Webb. Please read this form carefully and then go over the rules and consequences with your child. Once both you and your child have read and discussed it, please sign the bottom. Please have your child sign it as well.

In order for all campers to have the best possible experience, all campers need to be aware of the rules and must agree to follow them. If a camper consistently or excessively breaks the rules and chooses not to take part in camp, they monopolize the counselors' time. When this happens all other campers in the group fail to receive the best possible camp experience. In the event that a camper chooses not to take part in camp, we will encourage them to do so by following the rules and respecting others. If the camper still chooses to consistently or excessively break the camp rules, they will be sent home. The parents will be asked to come and pick up the camper. If a camper is sent home for failure to comply with the camp rules, no refund will be given.

A shorter course of discipline may be used depending on the severity of the camper's actions. If the camper severely endangers the physical, mental, or emotional health of themselves or another individual, the camper may be sent home immediately.
