

Drawing Wisdom: the Lord's Life and Prayer

"By Wisdom a house is built, and through understanding it is established."
(Proverbs 24: 3)

Whether you are building a house, a family, a business, a ministry or simply a new you, it's stressful.

Come away for part of a day and gain a prayerful perspective on what you are called to build and how you are called to build it - with wisdom and understanding.

The Lord's Prayer

June Paul, Author of *Praying Our Way Through Stress: Drawing Wisdom from the Lord's Life and Prayer* is a wife, mother, grandmother and friend who has faced and overcome many stressful experiences in her life and has helped others overcome stress in their lives as well. Come together with other women and we'll draw wisdom and encouragement as we are led toward a resurrection of faith and renewal of hope in life and the goodness and promises of God. You'll return home with a new or renewed relationship with the Lord and other people.
