Passiontide Music

A Look At What J. S. Bach Achieved

Bach's two passion oratorios are considered masterpieces, not just in Christian music but in all western civilization. The Reverend Daniel Westberg, PhD, Professor of Ethics and Moral Theology, will offer a 5-part Lenten series on Bach's musical setting of the biblical passion narratives. Fr. Westberg will go beyond conventional analysis to explore the devotional intentions of the composer.

(The evening will begin with a simple soup supper.)
