

FIRST FRIDAYS 2015-2016

We laughed...

We played...

We sang...

We prayed...

WE OPENED THE DOORS!

We greeted people who had lived their entire lives in Racine without ever setting foot in St. Luke's

We brought downtown congregations together to share our gifts and get to know each other

We started out as a random group of clergy and parishioners, meeting over breakfast to plan these events...and became a team, working and learning together

We prayed for Racine and the needs of the world and gave thanks for the gifts God has given the community

We used bubbles, historic tours, candles, guitars, songs, bells, drums, sidewalk chalk, hula hoops, folk dance, quilts, bingo quizzes, and SMILES to show the community who and what St. Luke's Church is all about!
