

SUNDRIES MINISTRY

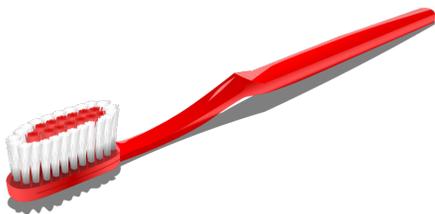

St. James' Episcopal Church - Milwaukee

Daily, too many of our economically distressed brothers and sisters in the Milwaukee area ask themselves the following question,

“Do I buy food, medicine or hygiene products?”

St. James Episcopal Church is delighted to help answer that question through it's Sundries Ministry. This ministry gathers and provides sundries at no cost to single adults and families living on low-incomes, on fixed-incomes or with no incomes. Please join us in helping meet a critical need by bringing the following unused personal size or individually wrapped sundries to the Diocesan Convention.

Together we can make a meaningful difference!

Tooth Brushes

Toothpaste

Shampoo

Conditioner

Deodorant

Shower Gel

Moisturizing Lotion

Feminine Hygiene Products

Combs & Hair Brushes

Laundry Detergent Pods

Lip Balm • Dental Floss

Bar Soap

When traveling, remember the Sundries Ministry!

Collect unused sundries from your hotel room; they are part of your hotel costs. To learn more about the Sundries Ministry and our other outreach ministries, please see our website: <http://www.stjamesmilwaukee.org/outreach.html>
