

# recognizing God's voice

## a Lenten retreat for women

Can you recognize God's voice? How much practice do you have listening and discerning it? God speaks in holy conversation, through scripture, in the Eucharist, in prayer, in the activities of our daily lives as women. God sometimes speaks in convergences. We have personal preferences in our prayer lives, but we can learn to listen when God is speaking to us. Come practice listening together.

Saturday March 5, 9:30-3:30 p.m.

St Aiden's Episcopal Church, 670 E  
Monroe Ave, Hartford, WI 53027

The Rev. Dr. Paula Harris is a parish  
priest at St Luke's, Madison and an  
active Spiritual Director.
